## OUR ASSOCIATES

We are equipped with quality products of biggest brands in the world swimming pools industry like

# THE SWIMMING POOL SHOPPE

## Bobbin Wound Fiberglass Filter

The bobbin-wound filter is manufactured by computerized fiberglass filament winding technology. This provides the mechanical strength of the filter tank and its ability to withstand pressure. V Series and S Series are manufactured by automatic bobbin winding technology from long-lasting and non-corrosive fiberglass and resin.

## SB Series Pump

The SB Series pump delivers high flow and energy efficiency ultra performance. 2-inch suction and discharge port with a transparent lid. Ring lock seal design to eliminate suction leaks and to maximize suction efficiency.

## Cartridge Filter - CF Series

The CF Series Filter comes with a UV-resistant tank and a heavy-duty ring-lock lid which allows easy cleaning and replacement of the cartridge element. A screw-type air bleed valve releases trapped air inside the filter tank. The high-quality oil-filled pressure gauge provides an easy overview of the operating pressure.

## Max Series Filter MFV Series

Emaux's innovative design and advanced technology offer superior filtration performance and crystal clear water. Max series filters are seamless, one-piece blow-molded filter tank in high density polyethylene for heavy duty use and reliability

## EMD Series In-ground Filter System

Emaux EMD Series In-Ground Filter System is made from fiberglass-reinforced plastic, water-tight, and equipped with a submersible pump to drain water automatically. The filter systems are suitable for all kinds of pool shapes and sizes and can be customized to your specific requirements.

## Pool Lighting Equipments

Corrosion resistant, lightweight, superior geometric lens strengthens the light beam throughout the wide angle lens and lights the entire pool. Consumes less power and has excellent luminosity. Products are available in various technical specifications in accordance with clients' requirements.

## Pool Fittings

Pool fittings are made of heavy duty ABS material. They are durable, has smooth finish, white injection molded, designed to use Indian made pipe fittings.
