PREPARATION

CIVIL CONSTRUCTION

Strong foundations.

Built to last.

From site development to finishing works, we deliver high-quality civil and infrastructure solutions with precision, durability, and complete compliance.

BOUNDARY & SECURITY WORKS

Secure fencing, walls and gates built to meet industrial safety standards.

ASPHALT & ROAD WORKS

High-quality road paving and asphalt solutions for lasting performance.

EXCAVATION & EARTHWORKS

Precision excavation, trenching, backfilling and site grading with advanced equipment.

STRUCTURAL & CONCRETE WORKS

Durable concrete and structural works for industrial and commercial projects.

SITE DEVELOPMENT & UTILITIES

Complete site development and utility infrastructure for smooth operations.

ELECTRICAL & POWER SYSTEMS

Reliable power.

Engineered for performance.

OXFAR delivers dependable electrical contracting solutions for industrial facilities, ensuring safe power distribution, efficient installations, and seamless system integration across every project.

**LV & HV
CABLE
PULLING**

Safe installation of low and high-voltage cable systems.

**CABLE
TERMINATION
& JOINTING**

Precision termination and jointing for reliable power connections.

**UPS
INSTALLATION &
COMMISSIONING**

Reliable UPS installation for uninterrupted critical power.

**BUSBAR
CONNECTION &
MODIFICATION**

Professional busbar installation and modification services.

**POWER
DISTRIBUTION
SOLUTIONS**

Efficient electrical infrastructure for industrial facilities.

MECHANICAL & PIPING ENGINEERING

Precision Engineering.

Reliable Performance.

OXFAR provides dependable mechanical and piping solutions that support the installation, maintenance, and modification of critical industrial systems. Every project is executed with precision, safety, and operational efficiency in mind.

Piping Fabrication & Maintenance

Fabrication, repair, replacement, and maintenance of industrial piping systems.

Valve Installation & Maintenance

Professional installation, alignment, testing, and maintenance of industrial valves.

Manhole Construction & Structural Modification

Construction and modification of industrial access chambers and underground utility structures.

FIRE SAFETY & PROTECTION SYSTEMS

Protecting People. Securing Assets.

Reliable fire protection solutions designed to safeguard industrial facilities through compliant installation, testing, and commissioning services.

OUR EXPERTISE

FIRE SAFETY PIPING INSTALLATION

Installation of firewater pipelines, hydrants, sprinklers, and monitor systems for industrial facilities.

SYSTEM TESTING & COMMISSIONING

Comprehensive testing and commissioning to ensure system performance and regulatory compliance.

ENGINEERED TO PROTECT LIVES, ASSETS,
AND OPERATIONS WITH DEPENDABLE
FIRE PROTECTION SOLUTIONS.

SPECIALIZED INDUSTRIAL TANK CLEANING

Safe. Thorough. Reliable.

Industrial tank cleaning requires specialized expertise, strict safety procedures, and precision execution. OXFAR delivers professional cleaning solutions for storage tanks handling asphalt, bitumen, paint raw materials, and other industrial residues.

Restoring critical industrial assets with safe and efficient cleaning solutions.

SANDBLASTING & SURFACE PREPARATION

Surface preparation for long-term asset protection.

OXFAR delivers professional abrasive blasting services that remove corrosion, old coatings, and contaminants, creating the ideal surface for long-lasting protective coatings.

STEEL STRUCTURES

Surface preparation for structural steel, pipe racks, and industrial frameworks.

STORAGE TANKS

Internal and external blasting for storage tanks and process vessels.

PIPELINES

High-quality surface preparation for industrial pipeline coating systems.

WHY CHOOSE OXFAR

Your Trusted Partner for Industrial Contracting

At OXFAR, we combine technical expertise, industry best practices, and a commitment to safety to deliver dependable contracting solutions across Saudi Arabia.

KINGDOM-WIDE OPERATIONS

Serving industrial and commercial projects across the Kingdom of Saudi Arabia.
